

HEAD STUDENT APPLICATIONS NOW OPEN

If you're in Year 12 you can now apply to become a Head Student. These prestigious positions will see you becoming your best self while improving the wider College experience for all students. In return for your time, you will genuinely develop a range of skills which will help you to shine during competitive university and job application processes.

Our application process is online, and you can access the form and the application pack here: <https://tinyurl.com/ydukyaxc>

It is important that interested students review the application pack ahead of submitting an application. This details the role criteria along with key deadlines and information regarding a Staff Sponsor.

Please note the deadline for the submissions of applications is **4pm, Thursday 25 April**. Successful applicants will be invited to interview.

Make sure you can use your voice and register to vote!

Registering to vote is a critical way you will be able to use your voice and shape the country we live in. Although you need to be 18 to be able to place a vote, you can register to vote from 16 and therefore all students at HNC are eligible to register to vote, and will need to do so in order to be able to have their say in the upcoming General Election and all other elections moving forward. Next week we will be joining hundreds of other young people across the country for the 'Give an X' event on Tuesday 16 April, a live streamed event where inspiring speakers will share more about why voting matters, and how voting can really make a difference on the issues you care about. There will also be a chance to complete the voter registration process. Please note that while we expect lots of teachers to participate, it may be that due to upcoming exams not all classes will join the online event.

Please note that in order to register you will need access to your National Insurance number, so please ensure you have this with you.

This is a non-partisan event which focuses on the important of voting and taking part in the democratic process, so please note you will also be encouraged to ensure that you research into what each political party offers.
