

AUTUMN CAREERS FAIR: A REMINDER

Throughout your HNC journey you'll receive a wide variety of support and experiences to help you to decide on your vision for the future, and take your next steps with confidence.

Next week (Wednesday 25 October) is the first Careers Fair of this academic year. At this you can visit the Junction between 10am - 3pm to meet a wide range of universities, employers and apprenticeship providers who will all be helping you to understand more about the opportunities on offer, and answer your questions. Please do pop along for a chat, some of the organisations you can meet with include:

- University of Huddersfield
- The Police
- Kirklees College
- University of Bradford
- West Yorkshire Apprenticeship Service
- University of Law
- Leeds Trinity University
- WT (ISG Construction)
- BIMM University (Manchester)
- University of Salford
- Teeside University
- Newcastle University
- AtkinsRéalis (Engineering and Project Management)
- Leeds Beckett University
- Hull University

Could you be one of our new PR Assistants?

HNC is currently recruiting for PR Assistants, to mainly support us during our interview evenings in early 2024 when potential students join us for their College interview. The rate of pay is £7.50 per hour, and applications must be received by Friday 27 October. Please see your Careers channel in MS Teams for further information, a full job advertisement and an application form. Please note that your current behaviour and attendance record will form part of the shortlisting process. If you are a Year 13 student considering applying, you should carefully consider how you would balance these evening commitments alongside what will be a key phase in preparing for your exams. Thank you to all students who have already applied!

Catering provision at HNC

We would like to highlight that our external catering contractor has appointed a new manager, who will be reviewing student feedback and putting in place a number of improvements including a new set of competitively priced meal deals - further information about this will be shared soon. Please note that whilst Starbucks is currently closed due to supplier issues, this is expected to be resolved imminently.

If you would like to share any feedback about the current catering provision you can do so via the Student Council - speak to your representatives or email them via headstudents@huddnewcoll.ac.uk

Cyber savvy top tip

You are likely to use both your College email address and personal email address as a username for other website accounts. It is important to make sure these passwords are unique to minimise the damage if your account is compromised. You can check if your email addresses have been part of a data breach by entering them on the website <https://haveibeenpwned.com/>
