

## COULD YOU BE A STUDENT WELLBEING CHAMPION?

We are currently recruiting for Student Wellbeing Champions. As a Wellbeing Champion, you will be part of a small team that helps to raise the profile of emotional health, wellbeing and resilience in College. As a champion you will be able to access a variety of opportunities such as the chance to help us to deliver Live Wellbeing Webinars. You'll also support the initiatives we host in College too.

This is a varied role where you will receive training and support to help you to be successful. Given the nature of what it involves, it has a natural fit for those interested in careers linked to mental health, counselling or psychology. Equally, it is suited to those who are looking to help others. It is also of course a brilliant addition to your CV! Please note applicants must hold at least 90% attendance, with a good behaviour and CEDAR record. You can read a full role description via the Student Wellbeing channel in Teams.

*Applications close Friday 27 October at 5pm. Successful applicants will be informed after October half term.*
