

## MORE INFORMATION FOR OUR CLASS OF 2024

Thank you to all students who have voted about leavers hoodies/ t-shirts - we've had a great response with over 300 votes, and hoodies are currently storming ahead in the poll as you can see from the graphic below. We'll be closing votes on **Friday 8 March**, so make sure you have your say as we will be going with the majority vote as part of our democratic decision!

Vote now here:

 \* You will need to copy and paste this link in full into your browser

## Your eYearbook

We will also be producing a special Class of 2024 eYearbook - packed with your memories, messages and photos, including from staff who have supported you during your HNC journey. This will be available at no cost to you - further information will be issued in due course, but make sure you start thinking and saving your photos for this!

@huddnewcoll

## Get ready for National Careers Week

Next week is National Careers Week (4-8 March). Join us in the Junction to meet a range of universities, employers and voluntary organisations who will all be inspiring you about the possibilities available to you post HNC. Join us between 10am - 1.15pm to network with:

- Tuesday 5 March**  
 West Yorkshire Fire Service  
 The Care Collection  
 Leeds Trinity  
 Locala - Kirklees  
 Futureworks  
 University of Huddersfield  
 Project Trust - Volunteering  
 West Yorkshire Police  
 Portland Nurseries

- Thursday 7 March**  
 Jet 2  
 University of Sheffield  
 University of Liverpool  
 University of Newcastle  
 University of Bradford  
 Leeds Beckett University  
 University of Leeds  
 University of Huddersfield (secondary visit)  
 Simpson Wood Accountants  
 University Centre - Leeds  
 People Plus  
 Manchester Metropolitan University  
 WCS Group / Marlowe Group  
 Schofield Sweeney - Commercial Law Firm

## Help us to be a greener HNC

Studying and need to use some paper for notes? Please note we now have a scrap paper bin in the LRC where you can pick up some paper just for this purpose, helping us to be a greener HNC!

As a College we are working hard to be more environmentally friendly, from ensuring our waste is recycled post collection, opting for greener energy suppliers and reducing single use plastic in our onsite catering provision. We're really keen to see more students get involved in our College Green Group, and help us to shape the big and small steps we can take to play our part in address the climate crisis agenda. For further information, email [c.coupland@huddnewcoll.ac.uk](mailto:c.coupland@huddnewcoll.ac.uk)

## CYBER SAVVY TOP TIP

*Be aware of AI and increasing fraud risk.* AI is in the spotlight for its transformative features; however, this has highlighted the growing potential fraud risks to be aware of:

- \* More realistic phishing attacks - the ability of generative AI to be used fraudulently to tailor content and correct typos or grammatical errors, reducing the ability to notice when something isn't genuine
- \* Increased attacks - AI enables fraudsters to automate large amounts of their work so they can target victims faster and more frequently
- \* Deepfakes - Generative AI that uses voice, image and video, is becoming more advanced at digitally mimicking real humans so a fraudster can use it to impersonate victims' friends and family to deceive them in a growing number of ways e.g. financial fraud.

*Attending Solutions Not Sides on Thursday 29 February? See your email for confirmation details*
