

DON'T FORGET YOUR XMAS JUMPER TOMORROW

Tomorrow (Thursday 14 Dec) is Christmas Jumper Day at HNC. Please join us in your festive jumper and/or accessories as we come together to raise money for our chosen Charities of the Year.

Loose change donation buckets will be available in the Junction and you'll also be able to make a donation via contactless. All funds raised will be split between Save the Children and Forget Me Not Children's Hospice.

Tag us in your jumper pictures @ huddnewcoll or by emailing news@ huddnewcoll.ac.uk

LAST CHANCE TO DONATE

Thank you to all students who have donated to our One Big Family appeal. We've created a number of care packages for the homeless and vulnerably housed, and collected a number of toys. Tomorrow (14 Dec) the donation point will close, so if you would like to contribute, please pop any items in the box in Reception by 4pm.

Qualify as an Environmental Leader of the Future

HNC students are invited to register their interest for an exciting opportunity to gain a Level 3 Leadership qualification linked to environmental action.

The Environment Leaders Learning Programme in conjunction with WWF-UK, RSPB and Leadership Skills Foundation will see you gaining a recognised leadership qualification, while making a difference to our wider world. During the programme you will put your leadership knowledge into action by determining and delivering a climate/ environmental change project. If you successfully complete the programme, the qualification is worth 8 UCAS points. HNC is participating in the Environment Leaders Programme Trailblazer and we are currently inviting students to register their interest by contacting Claire Coupland or Emma Reeves.

In addition, you will gain industry standard leadership skills and experiences, helping you to stand out from the crowd! It is an incredible opportunity and HNC is one of a handful of colleges participating in this programme.

Reflections during Disability Awareness Week

Please remember that we are inviting all students to submit a reflective piece as part of Disability Awareness Week. We will share these (anonymously) on our website. You may wish to consider your answers to some, or all, of the following questions in your piece:

- * What is your personal understanding of the issues disabled people can face?
- * How can we support those with disabilities to be fully involved in political, social, economic and cultural life?
- * What benefits will society see in ensuring that every person, irrespective of ability, has equal human rights?

Submissions should be sent to news@huddnewcoll.ac.uk

CYBER SAVVY TOP TIP

To help keep your IT accounts safe both at home and at College, check your password is secure here: <https://haveibeenpwned.com/Passwords> This website searches your password against those that have been exposed in a data breach and are at risk of being used to breach/hack other systems. If you are advised 'This password has previously appeared in a data breach and should never be used. If you've ever used it anywhere before, change it!', then please update your password(s).
