

CHRISTMAS JUMPER DAY 14 DECEMBER

Thursday 14 December is HNC's Christmas Jumper (or festive outfit!) day. Please join us as we come to College in our Christmas jumpers and come together as a community to make a difference to others this festive season. Don't have a Christmas jumper? Then simply add a festive touch to one of your outfits, or come wearing traditional Christmas colours!

This month we are working together to make a difference to those who are less fortunate, and spreading a little bit of kindness. On Christmas jumper day we'll be inviting you to:

* Pop an item in our One Big Family collection point in Reception. We need hygiene products, new hats/gloves/scarves, non perishable food and treats such as biscuits and chocolate. We're also collecting new toys for vulnerably housed children. **Please note that Thursday is the LAST day we are able to accept any donations for this appeal**

* You can also make a small donation of your choice to our chosen Charities of the Year. Contactless payment will be available, and all funds raised will be split between Forget Me Not Children's Hospice and Save the Children.

Thank to everyone who has donated so far to our One Big Family appeal!

@huddnewcoll

It's nearly time for the start of Vision Week!

Next week all students return to Campus and face to face lessons. Monday 11 December also marks the start of our first Vision Week. This exciting week long event is all about inspiring you about the possibilities the world has to offer. During this week you'll be able to experience an incredible range of industry speakers, workshops and lectures which will inspire you about how you can shape and achieve your own ambitions. There's a huge diversity of guests joining us. From apprentice Solicitors and alumni working on cruise ships, to an international Film Director and a session where you can experience a professional acting audition, these unique opportunities will help you to prepare and plan for life beyond HNC.

As part of this you'll also be able to chat to representatives from a number of universities. Your teachers will share more about guests linked to your study programme, but you are promised an incredibly inspiring and enlightening week!

Fundraising event - 13 December

Our Business students will be hosting an event on Wednesday 13 December to raise funds for our Charities of the Year, Save the Children and Forget Me Not Children's Hospice.

Join us in the Junction to browse a range of stalls offering everything from cakes, treats and mocktails, to competitive challenges where you can win prizes - see the TV screens around College for details about what will be running. All activities will be hosted over the lunch break.

CYBER SAVVY TOP TIP

To keep your account data safe - use two factor authentication when possible, especially where purchases are being made and payment details are stored e.g. Amazon, PayPal or Ebay accounts. Two factor authentication (2FA) and/or multi factor authentication (MFA) will see you using a text message, a one-time code, a finger-print reader or facial recognition in addition to a password to access your account.

Students will be required to set MFA up from January 2024 (instructions will be provided nearer the time)

Friday marks the end of trial exam week - we hope these have gone well for all of our students!
